

## Codage dans l'espace (CP-CE1-CE2)

On empile des petits cubes pour construire une pièce.  
Ensuite, on compte combien de petits cubes sont empilés verticalement.

Associe chacune des pièces à la grille qui lui correspond.

Pièce A

Pièce B

Pièce C

Grille 1

3	3	2
1	2	1
1	0	1

Grille 2

3	3	2
2	2	1
1	0	2

Grille 3

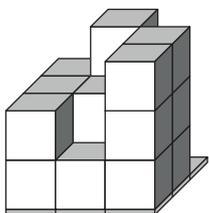

2	2	3
1	1	1
0	1	0

# Codage dans l'espace - suite (CP-CE1-CE2)

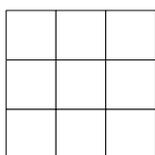

Complète la grille correspondant à chacune des pièces.

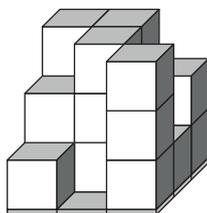

Pièce D

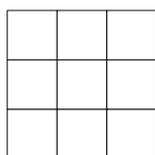

Grille 4

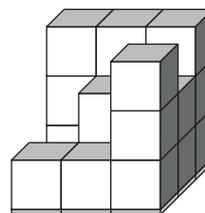

Pièce E

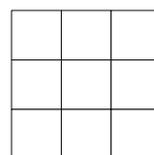

Grille 5

Pièce F

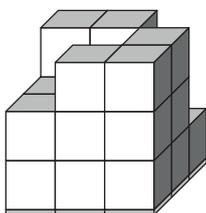

Grille 6

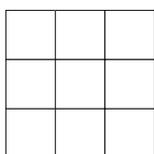

Chacune des pièces comporte **20 petits cubes**.  
Complète la grille correspondant à chacune des pièces.
